

In reply to the response of the Letter to the Editor regarding Lipoedema – myths and facts, Part 1 and Part 5. European Best Practice of Lipoedema – Summary of the European Lipoedema Forum consensus

We find the publication of the Response Letter [1] an unprofessional and regrettable decision on the part of the authors and editorial staff, given its factual inaccuracies. We have posted our reply to the inaccuracies here: www.lipedema.org/phlebologie-letter.

Conflict of Interest

The authors declare that they have no conflict of interest.
