

European Federation of Societies for Ultrasound in Medicine and Biology

EUROSON 2023

May 25–27, Riga, Latvia

Dear friends and colleagues,

We kindly remind you that there is only a little more than one month left until we close the Abstract Submission to EUROSON 2023 on December 1, 2022.

Read more here – www.euroson2023.com/submit-abstract/

As the preliminary program for the congress is already available (www.euroson2023.com/programme/), we remind you to use the Early Bird registration for EUROSON 2023 in Riga, Latvia, from May 25–27 next year.

Register here – www.euroson2023.com/register

Special events before the congress

On May 24, the day before the event, the Pre-Congress Course will be held on two separate topics:

- Musculoskeletal ultrasound. Topics: Shoulder, Ankle and Foot with Live DEMOs by Prof. Carlo Martinoli and EFSUMB Faculty
- Contrast enhanced ultrasound (CEUS). Topics: Liver and Non-Liver Applications and Case discussions by EFSUMB Faculty

Pre-congress Course registration fee – 120 EUR. The number of places for each subject is limited; priority will be given to those participants who register earlier.

Please be aware each participant can only register for one of the courses.

Registration to the Pre-Congress Course is available here – <https://www.euroson2023.com/register/>
