

## Erratum

### An Inverse Electron-Demand Diels–Alder-Based Total Synthesis of Urolithin M7

Ian R. Pottie, Penchal Reddy Nandaluru, Graham J. Bodwell\* *Synlett* **2011**, 2245.

The advance online publication (e-First) version of this article contained three errors:

1. In the caption of Scheme 1 the “chromone-fused diene **6**” had erroneously been given as “chromone-fused diene **8**”.
2. In the sentence where the synthesis of compound **14** is mentioned, reference to Scheme 3 instead of Scheme 4 was given.
3. At the end of the last sentence before the summary reference 4d was cited, but the correct reference for the mentioned isolation paper is reference 5.

All errors have been corrected for both the current online version and the print publication. We apologize for these mistakes.
