

EUROSON 2015

Dear friends and colleagues,

I hope that everyone of you has enjoyed the Christmas period. A good chance to meet the kins, eat the seasonal delicacies produced by mothers and grandmothers, making New Year's resolutions about losing weight, dancing while expecting the New Year.

So, I have decided that the news from HSUMB can wait. Instead, I have produced a "pictorial review" from EUROSON 2015, a tribute to the people of the local organizing committee who have worked for the realization of the meeting. Photos from the rest of the events have been probably uploaded to the EFSUMB site, already.

With the best wishes for the fulfilment of your dreams

On behalf of the HSUMB

Workshop on Interventional US
Workshops have been the great attraction of EUROSON 2015, fully booked right from the beginning. However, the workshop co-ordinator Kelly Pahou managed to accommodate a quite large number of last-minute-comers, making everyone happy.

Αγαπητοί φίλοι και συνεργάτες,

Φαντάζομαι ότι η περίοδος των εορτών ήταν μια ευκαιρία για ξεκούραση, για συναντήσεις με φίλους και λουκούλεια γεύματα με την οικογένεια, ποικίλες αποφάσεις για την καινούργια χρονιά, πιθανώς χορό και «31» την παραμονή της Πρωτοχρονιάς.

Σκέφτηκα, λοιπόν, ότι τα νέα και οι προγραμματισμοί της εταιρείας μπορούν να περιμένουν και ότι θα ήταν πιο ευχάριστη μια εικονογραφημένη ανασκόπηση του EUROSON 2015. Εστω και ως απότιση τιμής στους ανθρώπους που δούλεψαν πολύ και υπό αντίξοες συνθήκες, άλλοι στην σκηνή και άλλοι στα παρασκήνια, προκειμένου να πραγματοποιηθεί το συνέδριο αυτό.

Με αγάπη, υγεία και χαρά το 2016

Εκ μέρους της Ελληνικής Εταιρείας Υπερήχων

Workshop on conventional US
A major component of the successful workshop have been the generous support of the sponsoring industry. Every company was represented not only by the Greek staff but, also, by multinational teams.

HSUMB: P. Zoumboulis & N. Papantoniou
The past and the current Presidents of the Society. Their combined efforts made the EUROSON 2015 a successful event.

N. Papantoniou, K. Pahou, A. Chalazonitis
The President of HSUMB, the chief administrator of HSUMB and co-ordinator of the local organizing committee and the President of the Scientific programme committee.

Jazz On The Spot
During breaks, young distinguished musicians were creating a vibrating atmosphere for the delegates. This was an idea of the organizing agency ERA Ltd so that people from different countries get acquainted with the Athenian music groups.
